

# REAL CIDER TAKES TIME. 200 YEARS.

We are one of the oldest cider making families in the world with a proud history that goes back more than 200 years.

Today, under the watchful eye of David Sheppy, our sixth generation Master of Cider, we continue to champion the same traditional methods, using our rare crafting skills to produce the Sheppy's range of award winning and world class premium craft ciders.

We wouldn't put our name on anything less.
