

## Guided Tours

Guided tours are a great way to learn about how Sheppy's finest ciders are made. Tours take approximately 1 1/2 hours with one of our enthusiastic and experienced guides. Be prepared for any weather as your visit will include a walk outside.

## Your Visit

Your fully guided visit includes an orchard, the press house a vat house, the museum and DVD of our cider-making year and a tutored tasting of a range of our ciders. You will go away with a small gift to remember your visit.

## Make a meal of it

If you would like to make more of your visit you might enjoy a meal in our heritage buildings before or after your tour. We would be happy to book you a table to enjoy beautifully presented, quality food made from local ingredients. To book a table please telephone our restaurant.

## When are tours available?

We do regular public tours for up to 40 people on the following days:

Saturday 11 am	(July and August only)
Saturday 2 pm	(March to November)
Sundays 11 am	(March to November)
Spring/Summer Bank Holidays	11am
Large group tours to suit you	(by arrangement only)
School and college visits	(by arrangement only)

## Who can attend?

Anyone can join. If you are youthful, you may be asked to prove your age before joining the tour. Supervised children under the age of 12 are welcome to attend free, otherwise normal charges apply.

## How to book:

You can book online [www.sheppyscider.com](http://www.sheppyscider.com) (booking closes 48 hours before the event) or by telephone (if online booking is closed) or in our shop on the day (both subject to availability).
